

LevelUp Rewards

A principal-ready PBIS rewards system that standardizes recognition, automates tracking, and keeps incentives fair—so teachers spend less time managing points and more time teaching.

WHAT IT DOES (PBIS REWARDS + SCHOOL CLIMATE)

- **Runs a school-wide points and rewards program** aligned to PBIS expectations.
- **Makes recognition consistent** across classrooms with shared categories and clear rules.
- **Keeps incentives transparent and equitable** so students see the same system everywhere.
- **Automates the “paperwork” of rewards** (balances, redemptions, and histories) in one place.

Designed for busy schools: fewer manual tallies, fewer spreadsheets, fewer “who has points?” questions—and a rewards program students actually trust and stay motivated by.

TEACHER TIME

Less counting, more teaching

CONSISTENCY

Same system in every room

MOTIVATION

Rewards students care about

HOW IT WORKS (REWARDS WORKFLOW)

- **Teachers recognize positive behaviors** quickly, without extra steps after class.
- **Students see their balance** and build motivation through clear goals and progress.
- **Redemptions are tracked automatically** with a complete history for transparency.
- **Optional automated reward dispensers** provide fast, reliable prize dispensing backed by a proprietary device verification handshake.
- **Real-time dashboard** keeps balances and redemptions consistent across the building.

NY Law 2-d

PBIS rewards, done right. Built for NYC schools that want a consistent incentives program without adding more work to teachers' plates.

School-wide outcomes you can expect

A consistent PBIS rewards system—built to reduce overhead, strengthen trust, and keep incentives fair and measurable building-wide.

SCHOOL-WIDE IMPACT

- **Higher participation** because students understand the system and see rewards quickly.
- **More consistent implementation** across staff with shared categories and clear rules.
- **Fewer disputes** with transparent balances and redemption histories.
- **Reduced admin overhead** with fewer manual corrections and reward reconciliation.

FOR TEACHERS

- **Faster recognition** that fits into instruction—not another after-school task.
- **No more point bookkeeping**—balances and redemption records stay organized automatically.
- **Clear student motivation loop** that reinforces positive behavior in the moment.

FOR DEANS, COUNSELORS & PBIS TEAMS

- **Real-time visibility** into recognition patterns and incentive usage.
- **Clean, exportable reporting** to support PBIS/MTSS meetings and planning.
- **Controlled access** that supports consistent implementation across staff.

SYSTEM SUMMARY

- **Real-time dashboard** for balances, recognition activity, and redemption history.
- **Student-facing experience** that supports goal-setting and motivation.
- **Optional automated dispensers** for fast, reliable prize dispensing with device verification.

PRIVACY & PROCUREMENT READINESS

- **NY Education Law 2-d compliance** aligned to student data protection expectations.
- **DPA-ready** for district/school privacy review workflows.
- **Sole Source** procurement enables **direct purchase up to \$25,000**.
- **Funding:** Title IV-A and Title I.
