

LevelUp Rewards

A classroom-ready PBIS rewards companion that automates point tracking, simplifies redemptions, and builds positive energy—so teachers spend less time bookkeeping and more time teaching.

CLASSROOM MAGIC (PBIS POINTS & ROUTINES)

- ✦ **1-Tap positive reinforcement** on your phone or desktop. Award points in under 5 seconds for behavior, effort, or respect.
- ✦ **Spreadsheet-free records** automatically tracked. No more losing track of paper tickets, tokens, or manual tallies.
- ✦ **Student-led balance checks** at hallway kiosks. Students scan their physical barcodes to view progress, badges, and prizes.
- ✦ **Engaging classroom tools** including live standings, streaks, and random raffle drawings to build healthy classroom momentum.

Routines that build momentum

How to weave LevelUp into your daily instructional rhythm without adding a single minute of extra work or point bookkeeping.
