

LevelUp Rewards

A principal-ready PBIS rewards system that standardizes recognition, automates tracking, and keeps incentives fair—so teachers spend less time managing points and more time teaching.

WHAT IT DOES (PBIS REWARDS & SCHOOL CLIMATE)

- ✦ **Runs a school-wide points and rewards program** aligned to PBIS expectations.
- ✦ **Makes recognition consistent** across classrooms with shared categories and clear rules.
- ✦ **Keeps incentives transparent and equitable** so students see the same system everywhere.
- ✦ **Automates the “paperwork” of rewards** (balances, redemptions, and histories) in one place.

School-wide outcomes you can expect
