

LevelUp Rewards

A secure, building-wide PBIS and school culture platform that standardizes expectations, automates redemptions, and delivers actionable, real-time data—built for NYC DOE and NYS schools.

BUILDING-WIDE PBIS (EXPECTATIONS & TELEMETRY)

- ◆ **Standardized behavior expectations** across all classrooms. Establish unified categories (Respect, Responsibility, Effort) building-wide.
- ◆ **Equity & transparency** for all students. An open, visible reward ledger that students trust, removing teacher bias.
- ◆ **Low-IT administrative hub:** Seamless student/teacher roster imports (CSV/JSON) and student house sorting setups in minutes.
- ◆ **Federal & State funding paths:** Title I, Title II, Title IV-A (SSAE), and NYS NPSE eligible. Sole Source direct purchase up to \$25,000.

System integration & tracking

Roll out LevelUp across your entire school building in minutes, with real-time consistency tracking and no administrative oversight needed.
